Dear student,

CONTINUATION OF CIPS CLASSES

The Lecturers would like to appreciate you for the effort you have put in to prepare for the November examinations.

You are kindly informed that the semester will continue and classes resume soon after you finish the CR exams, on the **29th of November** and will end on the **10th of December 2021**.

This is due to the limited time left to prepare for March 2022 exams, the schedule which cannot easily be changed. In addition, students have not been attending the two hours which were allocated in preparation for the March 2022 exams.

The two weeks will make a big difference since it will be packed with lectures while the rest of the student body will be writing their exams (local programmes).

You are advised to attend to all the lessons without fail. The registers for these lessons will be shared with the Registrar.

Yours Sincerely,

Dora Sikana
CIPS Coordinator
